ABOUT ANDREW

I've been a flight attendant for almost 18 years with two different AFA carriers. I began my career with Mesa Airlines in 2004 and took my wings to Frontier Airlines in 2015. Throughout my time at both airlines, I have held many roles within AFA, ranging from Grievance and Mobilization Chair, LEC Vice President, MEC President, to currently serving as the MEC Vice President for Frontier. I've also been an active member of the Human Rights & Equity International Committee, Employee Assistance Program, and Safety Committee. Having worked at multiple carriers, I recognize the variety of needs and goals among flight attendants from different airlines. While we are all united by wings, these differences should not only be addressed but also celebrated by our union. Our flight attendants are strong and resilient, working around the clock even in the most challenging situations to ensure the safety, security, and comfort of our passengers. As a union, we must provide that same level of support to our members. As your International Vice President, I will work to ensure that our union is both reliable and accessible, and create increased training opportunities and support for our membership. My passion for both aviation and AFA are long-standing, and I can't wait to put that passion into action. If you have any questions or would like to learn more about my plan for the future of AFA, please don't hesitate to reach out.

Thank you for your consideration, and for all that you do!

IN SOLIDARITY, *Andrew Kothlow*
